On the back of the application please note any physical or emotional problems of the child such as: vision or hearing deficiency, orthopedic handicap, speech disorder, nervous disorder, social adjustment difficulty, etc.

I have read the PCS handbook and agree to cooperate with the school authorities and to abide by all policies stated in the PCS handbook.

Please Note:

Puebla Christian School exists for the primary purpose of educating U.S. and Canadian missionary children so they are prepared to return to the U.S. and Canadian school systems. We are not approved by Mexicoôs S.E.P. (Secretaria Educacion Publico). Because Puebla Christian School is not approved by S.E.P., the school wants all parents to understand that students desiring to return to the Mexican 1st through 12th grade system or desiring to enter the Mexican Universities will not receive the necessary transcripts or credentials to be admitted. The biggest obstacle for Mexican citizens is without S.E.P. approval it is extremely difficult to renew passports of any children not attending a S.E.P. approved school. Parents run a risk of NOT being able to renew their childôs passport.

As a parent enrolling my child(ren) I realize that PCS is not S.E.P. approved and accept this as affirmed by my signature. I will not hold Puebla Christian School liable in the future if I should desire to enroll my child(ren) in the Mexican school system knowing that PCS cannot issue the required documents for admission to a S.E.P. approved school or university.
